PROFILE

Motivated and creative student seeking an opportunity as a Social Media & Video Editing Intern where I can use my creativity, content creation skills, and video editing abilities to support digital marketing and social media growth while gaining professional experience.

PROJECTS

Social Media Poster Design

NOV 2025

- Designed promotional Instagram posters using Canva.
- Focused on attractive layouts, color combinations, and brand-style visuals.
- Created posts suitable for engagement and promotional content.

Short-Form Video Editing Project

DEC 2025

- Edited short-form videos for Instagram Reels using video editing tools.
- Added transitions, music, text overlays, and basic visual effects.
- Optimized video format and duration for social media platforms to increase engagement.

Photo Editing Project

- Edited photos using Instagram Edits and Lightroom.

INTERNSHIP

OCT 2025 - NOV 2025

Digital marketing intern

Ipsr Sol limited

ONLINE MODE

- Learned how to connect with different social media pages and understand their audience and engagement style.
- Used AI tools for simple real-world tasks such as creating captions, generating content ideas, and analyzing basic trends
